All costs associated with seizure of the vessel or bunkers shall be for Buyers account. Taking of any additional security measures by Seller shall not operate as a waiver of this provision.

9.5. No disclaimer stamp of any type or form will be accepted on the bunker receipt. If any stamp should be applied it will not alter, change or waive Seller's lien against the vessel or the bunkers or waive the vessels ultimate responsibility incurred through this transaction.

12. FORCE MAJEURE

12.1. 13. SAFETY ENVIRONMENTAL PROTECTION

13.1. Buyer shall be responsible for providing safe reception of the Marine Fuels to be delivered. If an escape, spillage or discharge of oil (hereinafter referred to as a "spill") occurs while Marine Fuel is being delivered to Buyer hereunder, Buyer will promptly take such action as is reasonably necessary to remove the oil and mitigate the effects of such spill. However, notwithstanding the cause of such spill, Seller is hereby authorized, as its option, upon notice to Buyer, or Buyer's operator or, or agent for the receiving vessel, to take such measures, either in co-operation with Buyer, or exclusively as the sole party, and incur such expenses (whether by employing its own resources or by contraction with others) as are reasonably necessary, in the judgement of Seller, to remove the oil and mitigate the effect of such spill, Buyer agrees to co-operate and render such assistance as is required by Seller in the course of such action. Buyer shall pay and indemnify Seller for any expenses, damages, costs, fines, and penalties arising from escape, spillage, discharge or pollution of oil, unless the escape, spillage etc was due to Seller's gross negligence. Buyer also agrees to give, or cause to be given, to Seller, all such documents, and other information concerning any spill or any program for the prevention thereof, which are requested by Seller, or required by law or regulation applicable at the time and place where Seller delivers Marine Fuel to Buyer.

13.2. Buyer shall be responsible for users' compliance with all health and safety requirements related to Marine Fuel supplied and shall assure that any user avoids frequent or prolonged contact with or exposure to the Marine Fuel both during and consequence arising from

failure to comply with such health and safety requirements or arising from such contact or exposure.

14. LIABILITY AND INDEMNITY

14.1. Seller shall have no liability, however arising and whether as a result of a breach of the contract, negligence or otherwise, for any loss of profit loss of time or hire, demurrage or loss of schedule, physical loss or damage to cargo nor, without prejudice to the foregoing, shall Seller be liable for any consequential or indirect damages suffered by Buyer. In the event that Seller or any other person who may benefit from Seller's stipulations would be held liable, shall the total liability be limited to an amount equaling the price of the delivery involved.

14.2. The actual suppliers of Marine Fuels under this agreement and all employees, representatives or agents of Seller and of such actual suppliers shall have the benefit of any and all rights stipulated for Seller under this agreement with respect to exclusion of liability and indemnification by Buyer.

14.3. In all cases where, pursuant to the terms of this agreement or otherwise, Seller is not responsible, Buyer shall indemnify Seller against all claims and actions of any third party.

15.1. This agreement shall be governed in all matters by the laws of Sweden.

15.2. Any dispute, controversy or claim arising out of or in connection with this contract, or the breach, termination or invalidity thereof, shall be finally settled by arbitration administered by the Arbitration Institute of the Stockholm Chamber of Commerce (the SCC Institute). The Rules for Expedited Arbitrations of the Arbitration Institute of the Stockholm Chamber of Commerce shall apply, unless the SCC Institute, taking into account the complexity of the case, the amount in dispute and other circumstances, determines, in its discretion, that the Rules of the Arbitration Institute of the Stockholm Chamber of Commerce shall apply. In the latter case, the SCC Institute shall also decide whether the arbitral tribunal shall be composed of one or three arbitrators. The place of the arbitration shall be Stockholm, Sweden.

15.3. Notwithstanding sub-clause 15.2 with respect to payment hereunder, Seller is, in his option, entitled to institute proceedings or take action in any competent court or similar authority.
